Dear Directora:

It was very helpful and very thoughtful for your Numismatic Museum to send us the package of books and pamphlets as to your coinage and paper money. We are delighted to add them to our library. We have had this type of cultural exchange with museums in other countries.

We will be glad to reciprocate as soon as we find a way to send things and you will in due course receive numismatic printed matter from us.

We thank you for your unsolicited gift and your kindness in making it.

Sincerely yours,

Eric P. Newman
